VILLAGE OF VIOLA  
VIOLA STP UPGRADE  
IEPA PROJECT #L-17-292900  
2010  
BID DATE: 11:00 A.M., JULY 7, 2010

ADDENDUM #3

TO: All Plan Holders:

The following clarifications shall apply to the captioned project:

Pursuant to the prescribed pump down of the contents of the proposed temporary treatment cell, per Addendum #2, it is anticipated that the volume of sludge pumped out will not be a substantial quantity and therefore will not add an appreciable amount of sludge to be removed by the Land Application contract.

The pump down of the proposed temporary treatment cell specified in Addendum #2 is not intended to provide substantial sludge removal from the temporary treatment cell.

Temporary berm for temporary treatment lagoon shall remain in place for this project.

SPECIFICATIONS:

**Section 02110-Clearing**

1. GENERAL

1.1 WORK INCLUDES

A. General contractor:

1. DELETE reference to "new dumping station site". No dumping station for this project.

PLANS (Clarification):

**Plan Sheet W-13**, Air piping lateral detail shows butterfly valves above grade. Butterfly valves on the air lines shall be installed in concrete vaults per note on Sheet W-13.

**Plan Sheet W-24**, Proposed rip-rap area is approximately 15 S.Y.

**Please acknowledge Addendum #3 on page 1 of Bid Form of Proposal. This Addendum will be sent by Fax and available to download on our website [www.missman.com](http://www.missman.com) under "Out to Bid".**

Respectfully submitted,

MISSMAN, STANLEY & ASSOCIATES, PROF. CORP.
